**The weather for the last ever CCW prom did not disappoint. It was not too hot and there was no sign of rain! There was a fantastic turnout of both parents and staff to watch our wonderfully dressed Year 11s arrive in style. We had pupils arrive in an array of fancy cars, on horseback, and members of the farming community even arrived in tractors that matched their dresses!**

Our Year 11s made the most of the evening, taking part in quizzes and voting for their prom king and queen: Elle Middlemiss and Finlay Stainthorpe.

The fundraising efforts of the prom committee meant the pupils could enjoy a photo booth filled with props, as well as a balloon arch for their formal photos.

The pupils were a credit to themselves and the school, being polite, friendly and appreciative of the evening. It was a wonderful event, which one of our newer members of staff, Mr Darrington, declared as “the best prom he’d ever been to”!

Many thanks to parents and local businesses for your support and donations to fundraising events, which helped to make the evening so special.

Finally, we would like to thank the prom committee: Eva, Chloe, Molly, Liv, Gracie, Rosie, Emily, Amy, Beth, Isobel and Lily, as well as staff, for all their hard work in organising a magical evening.

**Miss Manship**

## Vision and Values

We are proud to announce the new values and motto for Whitby School where we embrace the high aspirations and opportunities for our pupils and students.

<b>Endeavour</b>	Striving for excellence to reach our potential.
<b>Courage</b>	Exploring new opportunities with determination for personal growth.
<b>Ambition</b>	A strong desire to succeed in achieving our goals.
<b>Character</b>	Demonstrating qualities of honesty, integrity, kindness and respect in all we do.

“I will endeavour to be a person of great character who has the courage to realise my ambitions.”

## Whitby School

June 2024

Dear pupils, students and families

**I am delighted to announce that I have been appointed as the new Headteacher for Whitby School, and I am very much looking forward to getting to know all our pupils, Sixth Form students, parents, carers and colleagues.**

I began my teaching career in Newcastle-upon-Tyne and have lived and worked in the Northeast for many years until my retirement from full time headship in 2016. During that time, I served as Headteacher in three secondary schools including a merger of two schools to form a new academy. The creation of Whitby School allows a further opportunity to use my experience for the benefit of our pupils, families and colleagues.

During the last few years, I have been very fortunate to be invited to lead several schools across the country. Each required an experienced Headteacher to prepare the way for a new and exciting next chapter in the school's history. I am excited to bring that experience and knowledge to create an outstanding secondary school for your community.

It is always an immense privilege to work with amazing young people and their families, and dedicated teams of colleagues. A successful and happy school depends on all of us working together in partnership. As parents and carers, you are an essential part of the life of the school, supporting your child to be happy and successful in all that they do. As staff, your dedication, skill and care will allow our pupils and students to flourish. As pupils and students, you will always remain our top priority, we will dedicate ourselves to your well-being and success. Forging positive relationships between us will make Whitby School an outstanding place to study, work and enjoy.

Over the final weeks of term, I will be working from the existing school sites, meeting colleagues, pupils and students, attending school events and meeting parents and carers. I hope you will take the opportunity to say hello and share your hopes for the new school. Together, I am sure we will create a school that all of us can be proud of.

I look forward to meeting you soon.

Best wishes

**Mr D Thornton**  
Headteacher of Whitby School

## The House System

Our House system supports our school ethos “I will endeavour to be a person of great character who has the courage to realise my ambitions” and our values of Endeavour, Courage, Ambition and Character. The House System gives our pupils even more opportunities to contribute to the school community, whilst developing friendships and teamwork between pupils of all ages.

Our houses are based on the magnificent ships used for the voyages of Captain Cook.

We will organise House events, competitions, and assemblies. Pupils can earn House Points for actions, efforts, achievements, and competitions throughout everyday school life, and these are added to their House total.

Each House has its own colour, and this is reflected in pupils' ties. Each pupil will receive their tie on the first day of term.

## Uniform Key Information

### Uniform Orders

Additional PE kit and jumpers are available to order on the supplier's website. School blazers will be available to order in September.

[www.schoolcoloursdirect.co.uk](http://www.schoolcoloursdirect.co.uk)

### Uniform Collection

The blazers and PE tops can be collected between **9.00am and 6.00pm** on **Thursday 22 August** from the Prospect Hill site.

If exchanges are needed, the uniform supplier will be on site on **Friday 23 August** between **9.00am and 1.00pm**. We will not be able to manage exchanges on the 22 August as we need to ensure all orders have been allocated before releasing our extra stock for exchanges. Thank you for your understanding. For an exchange to be made goods must be returned in original packaging with no labels removed.

For webshop order returns such as jumpers or extra PE kit the orders will come with paperwork explaining the return process. Unfortunately, we will not be able to process these at the August collection event.

# Welcome

## Welcome from Ms Boyd

**Welcome from Caedmon school** It's been a busy week. On Monday we showed a few more families round the lower school building. I'm really excited that we will see our new Year 7s altogether next week. Our Year 9 sports leaders have been helping out at many primary sports days in the local area and on Monday they will be working with the new Year 7s on their team building day. They are such great roles models and I know they will inspire our new pupils.

Last week we formally said goodbye to our Year 11 pupils with their prom. They looked amazing! And some of my colleagues didn't scrub up badly either! The venue was perfect and there was excellent food and dancing.

In the next couple of weeks we will be announcing new roles in our new school. I myself will be taking up a new role in the structure and I am very much looking forward to it. There is a reason I've worked in Whitby schools for 29 years. Our pupils and students are fab!

**Ms Boyd**  
Head of School

## Message from Mr Whelan:

**This week it was an absolute pleasure to celebrate the end of exams and Year 11s time in school with our prom at Sneaton Castle. The pupils arrived looking amazing in their suits and dresses and the sun shone on an amazing venue as fancy cars, tractors and horses provided grand and dramatic arrivals.**

The rest of the evening was whirl of dancing, joy and awards including a best dressed staff competition which was rightly scooped by a very snappily dressed Mr Darrington! Prom always feels a very satisfying way to mark the end of what has been a stressful period for both staff and students as they sit external exams and get themselves ready for the next step on their education journey. It also offers a chance to reflect on the last five years spent with wonderful young people who have grown and matured and feel absolutely ready for the next challenge. Elsewhere in school Year 10 have been completing their trial exams and getting the feedback they need to be ready to hit the ground running in September, while Year 12 have celebrated the end of the year with a trip to Alton Towers. Some very green faces after a few too many wild and fast rides!

As I write this we have geographers on the beach undertaking their Year 10 fieldwork and the rest of the school is gearing up for sports day. Thankfully the sun is shining thanks to Mr Hopper's daily weather dance in preparation. Despite the summer holiday approaching school remains a busy place with lots of pupils and sage students undertaking end of unit assessments and it is always heartening to see the maturity with which these are undertaken. There has been lots of chatter about elections and some excitement but in reality, there is a never a dull day in education!

# Welcome

## Welcome from Mr Nicholson

ESKDALE  
SCHOOL

Last Wednesday night was our Year 11 Prom at Sneaton Castle and as usual it did not disappoint. Having seen it for the first-time last year, I was taken away by the drive-up, which in many ways is the highlight of the evening. I think this year was a record number of tractors! It was great to see the pupils enjoy themselves and for them to feel the support of their family, friends and those who have worked with them at school over the past few years. Thank you to Mr Gaulter and Mrs Scales in particular for making it all happen. There is no little work that goes into a night like that. We will share our pictures in next week's issue.

On Monday we had local PCSO Ellie Hornsby from the Neighbourhood Policing Team into our whole school assembly. Ellie made pupils aware that this week is Alcohol Awareness Week. Ellie highlighted the issue of over-18s buying alcohol for underage people and the way the alcohol can impact young people especially. There is an important message for all our pupils to take on board and support from families reinforcing this is appreciated.

In school this week has been the second and final week of Year 10 mock exams. On the whole the year group have approached them with maturity. A few reminders for everyone, that it is important to bring the correct equipment to the exams in a clear pencil case. All pupils will need this when they move into Year 11, so getting organised early is a must. Year 10 pupils will get verbal feedback from their teachers in lessons before the end of term and then a full report in September as Year 11s at Whitby School. Year 7 to Year 9 reports have been sent home this week electronically too. Any parents or carers struggling to access these, please contact the school office for help.

Staff training this Monday saw the new departments working together on their preparations for September as things continue to build towards the opening of Whitby School. It won't be long now before pupils and parents know who is leading the different areas of the school and who will be teaching who. Timetables are hugely complex beasts at the best of times and this one for September is doubly (or triply so!) with the combination of two staff bodies, two sites and a new school. One click of the Rubik Cube can knock everything out of alignment, but we are nearly there! Thank you to everyone for your on-going patience and support.

**Mr Nicholson**  
Head of School

## Eskdale School End of Term Celebrations - Week beginning Monday 15 July

In the last week of term, we have three events which parents and the local community are welcome to be part of. Firstly, on the Monday night we are opening the school up and the archives will be on display.

On the Tuesday we have our sports evening and then on the Wednesday we round off with a karaoke evening.

Please see the posters attached to this newsletter for more details.

# **ESKDALE SCHOOL**

**INVITES PAST STUDENTS  
AND STAFF TO JOIN US IN SCHOOL  
ON MONDAY 15TH JULY  
4.30 - 6.30PM**

We are setting out the archives  
and putting on the kettle in a  
final celebration of  
70 years of Eskdale School

Admission will be a donation that  
will be used to help make the last  
week of school special

See you there

### Community Alcohol Partnership – Alcohol Awareness Week (1-7 July 2024)

At Eskdale School we are very much part of community groups in Whitby and one of those is the Community Alcohol Partnership (CAP). Senior leaders attend meetings and work with the local community to raise awareness of issues connected to alcohol with the aim of educating our pupils. This year’s Alcohol Awareness Week’s theme is Understanding Alcohol Harms and pupils at Eskdale have been made aware of some of the dangers of alcohol and some of the current issues with alcohol in their local community.

Alcohol myth:

I can't have fun without alcohol

ALCOHOL CHANGE<sup>UK</sup>

Yes you can!

Over 10 million adults in the UK don't drink alcohol and still go out and have lots of fun, and there are more ways than ever to move alcohol out of the spotlight when doing the things you love.

It's time we were told the truth about alcohol so we can make informed choices for ourselves.

**Debunk more myths.**

### Year 7 Whitby Abbey trip

This week Year 7 have been visiting the gothic ruins of Whitby Abbey to look at how this historic site shows the history of change that has come to Whitby throughout its time. From the early founding under the Anglo-Saxons and the decisions made in Whitby about the dating of Easter to the demolition by roving bands of Vikings including Ivor the Boneless!

The abbey reflects the history studied this year as it was refounded under the Normans following their successful conquering, and later closed down by Henry VIII as part of his fight with the pope. We have swept through nearly a thousand years of history this year so it was amazing to be able to walk around somewhere which has witnessed so much of this exciting history that has shaped Whitby and England.

The pupils endured a range of weather depending on which day they visited from baking sunshine to windswept and blustered but they conducted themselves extremely well and were a credit to themselves and the school. Their enthusiasm and willingness always makes the effort of trips well worthwhile. Next year we unleash the English Civil War or the War of the Three Kingdoms as it is often now known but this may require a visit to Scarborough to get closer to the action!

### Interactive Whitby and District

**Interactive Whitby and District supports disabled children and young people in accessing activities and experiences which their able-bodied peers can readily enjoy. The annual trip to an outdoor adventure centre is much enjoyed by the young people and staff as are the monthly trips to places such as Dalby Forest and Piglets Farm.**

Interactive has also hosted Easter and Summer playschemes for many years when disabled youngsters and their peers benefit from socialising and playing together.

The charity has been generously supported for many years by a variety of funders. However, this year a major funder has been unable to offer support after a wonderful 19 years. This means fundraising has become more important than ever in order to continue to support young people and their families with high quality inclusive opportunities.

In association with the United Reformed Church and the Tuesday Singers, we will be holding two fundraising events at the URC on Flowergate.

On Saturday 6 July a Coffee Morning serving cakes and savouries will be held in the church from 10.00 until 12.00. As well as a chance to socialise there will also be a tombola.

On Monday 8 July at 7.00pm the Tuesday Singers will hold a concert. Half time refreshments and a raffle will be available and a retiring collection will help raise funds for the charity. The last concert was well attended and much enjoyed.

It would be great to see as many people come along to join in with these events.

# What Parents & Educators Need to Know about GAMBLING

## WHAT ARE THE RISKS?

Gambling can be defined as betting or risking money or something of value on the outcome of a situation involving chance. Under current regulations, gambling is legal for adults in the UK. Its potential impacts on the wellbeing of individuals, families and communities are well documented – emphasising the importance of safeguarding children and young people against these hazards.

## MANIPULATIVE ADVERTISING

FREE BET!!

Adverts for online bookmakers and betting exchanges can raise concerns about targeting vulnerable groups, fostering addiction, promoting misleading expectations, impacting mental health, affecting social norms, posing regulatory challenges, influencing minors and other ethical issues. Effective regulation, responsible advertising practices and public education are essential to mitigate these concerns and address the potential harms associated with excessive exposure to manipulative advertisements.

## ADDICTIVE FEATURES

All gambling products carry safety concerns, but some can be even riskier and more addictive. The frequency with which people can place bets can encourage them to do so often – with rapid spins and multiple betting options, for example. Betting on sports events, especially with live in-play betting options, can be highly engaging and habit forming. The 24/7 availability of online platforms can also increase the risk of excessive gambling, particularly among young people.

## PEER PRESSURE

Exposure to gambling through friends, influencers or social circles can normalise risky behaviour and create unrealistic expectations about the chances of winning. Addressing peer influence requires support services, responsible advertising practices and effective education on the subject to minimise the impact on children and promote healthier choices.

## IMPACT ON MENTAL HEALTH

Gambling can exacerbate mental health issues such as anxiety, depression, and stress – especially if it leads to financial loss. Individuals with existing mental health conditions may use gambling as a coping mechanism – but the cycle of gambling can worsen their symptoms, creating a detrimental impact on overall wellbeing. Integrated support services and treatment options are crucial to address these interconnected challenges effectively.

## GATEWAY BEHAVIOURS

Certain features of other products – such as video games that offer in-game purchases – can lead to gambling among young people. These mechanisms can sometimes be designed to exploit psychological vulnerabilities, encouraging repeated spending to acquire virtual items or advantages. Such practices can normalise the associated risks and desensitise young people to putting their or their family's money in danger.

## FINANCIAL DIFFICULTIES

The most common impacts of online betting come in the form of financial losses and debt. This, in turn, can lead to distorted perceptions of money, deterioration of relationships, social isolation, and poor academic and career outcomes. Regular gambling can even exacerbate other risky behaviour by making it seem less significant – potentially leading to a cascade of health impacts and financial loss.

## Advice for Parents & Educators

### ENCOURAGE OPEN DISCUSSIONS

Sporting events can be a good opening for conversations about gambling, as some sponsorships may reference and even glamourise it. Talk to children about how these promotions make them feel and encourage frequent conversations about any concerns they may have. Adverts, influencers and online platforms may also feature gambling products. As a child grows, it's important to encourage their critical thinking skills to help them avoid being manipulated by this type of marketing.

### KNOW THE WARNING SIGNS

Parents and educators should be vigilant for signs of gambling harm among young people. Look for changes in their behaviour such as increased secrecy, unexplained money issues, mood swings or withdrawal from their usual activities. Open conversations about gambling risks and maintain a supportive, non-judgemental environment. Try to familiarise yourself with resources and helplines for assistance and guidance.

### MONITOR SPENDING

In-game purchases can be appealing to children, allowing them to unlock new features or cosmetic items in a fraction of the time it would take to win them by playing. Talk to children about how they spend money online; an interest in what video games they play can encourage the conversation. Consider setting up restrictions on their devices, requiring their parent or carer's permission before making any purchases. Talk about finances regularly and openly.

### GET FURTHER SUPPORT

Support and treatment for young people is available via the Young People's Support Service at GamCare, who can be contacted at 0808 8020 133. A link to their website has also been included in the sources of this guide, along with links to several other support networks. Your GP and local NHS gambling clinic are also available if you require additional advice. Don't hesitate to reach out for help if you're concerned about a child's gambling behaviour or their financial situation.

## Meet Our Expert

Ygam's mission is to prevent children and young people from experiencing gaming and gambling harms through awareness raising, education, and research. The charity was established in 2014 as a result of the lived experience of their founders.
